ACKNOWLEDGEMENT

We are indebted to our **Principal, Dr. Ganesh V. Bhat** and management of Canara Engineering College for providing an environment with all facilities that helped us in completing our mini project.

We are extremely grateful to **Dr. Demian Antony D' Mello, Head of Computer Science & Engineering Department** for his moral support and encouragement.

We wish to express our sincere gratitude to our professor **Prof. Alok Ranjan** from Computer Science & Engineering Department, for the guidance and suggestions.

We thank all the teaching and non-teaching staff of Department of Computer Science & Engineering for their kind help.

Last but not the least; we would like to add some personal note. If there is a driving force that kept us going, and what has not changed it is the constant support and blessing of our parents, family and friends. There is no doubt, in spite of my strenuous efforts error might remain in mini project. Naturally, we alone take full responsibility for any lack of clarity, occasional erratum or inexactness that may occur.
